## **DETAILED ACTION**

1. A request for continued examination application was received on April 11, 2006, together with an Information Disclosure Statement. The cited references were expressly considered for further prosecution of this application. No grounds of rejection were revealed during these searches.

### ***Allowable Subject Matter***

2. Claims 1-17 are allowed.

3. The following is an examiner's statement of reasons for allowance:

4. With respect to independent claims 1 and 11, prior art fails to disclose methods for preparing a transmission electron microscopy (TEM) sample for electron holography, the methods comprising: forming a sacrificial material over an area of interest on the sample, forming a protective layer over the sacrificial material, polishing the sample to a desired thickness, wherein the area of interest is protected from rounding during polishing, and removing the sacrificial material and the protective layer from the sample following the polishing.

Claims 2-10 and 12-17 are allowed by virtue of their dependencies on the independent claims 1 and 11.

### **Conclusion.**

5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments of Statement of Reasons for Allowance".
